

國立台灣科技大學九十六學年度碩士班招生試題

系所組別：設計研究所碩士班乙組

科 目：商業設計

Please design an image associated with both figures from the picture below. The requirements of the exam have to be identified. They are: (a) to briefly elaborate your design in 150 words; (b) to associate both figures with new characteristics that make imaginative; and (c) to scale the image you design more than the size 30 by 20 centimeters though it has not any limit for the style, technique or tool with which you apply. 【100% of grade achieved by completing the requirements (a), (b)and (c)】
